

Choose Placement for your Brick

Help us make history by purchasing a brick!

Your brick purchase preserves your place as part of our new brick sidewalk in front of The Republican House, home of the Cumberland County Republican Committee. This new sidewalk will help to enhance the presence of this historic building while recognizing those who support our mission.

Purchase a brick to demonstrate your personal support for our organization, or provide recognition & visibility for a special individual, group, or business. They even make great gifts in honor of or in memory of a loved one. Consider more than just one!

All proceeds will help the CCRC pay off our mortgage for this historic landmark and preserve our home.
